Spooner Row, Sutton & Wattlefield Village Hall Association is looking to recruit 4 village residents onto the committee as non executive members.

The work of the hall committee is to see the building and grounds are fit to promote community use and therefore enhance life and wellbeing in the community.

Non executive members work with the Chair in making decisions, generating ideas, and hands on involvement.

The committee meets once a month.

Could *YOU* be one of the four we are looking for?
