## Notes from the Playing Field

### Management Committee

#### Dog Fouling

As all responsible dog owners know, when exercising your dogs in the village and especially on the playing field **please pick up after them**

The School, playgroup and football club all use the field regularly, not to mention the village children, so could we please ask all dog owners to carry a plastic carrier bag to pick up the offending 'pile'.

**Please note that the meadow at the back of the village hall is private property and not a dog walking area. The young people at Youth Club use it as do the play group so we would like it to be kept as clean as possible....**  
(Village Hall Committee)

#### Conservation Walks

Conservation walks have been provided in Spooner Row thanks to local farmers and DEFRA's farm conservation schemes. Maps and details of access and routes are in place around the village and a copy is available on the new website. Conservation walks are permissive access only and will be available until 2012. Please follow the Country Code.

## YOUTH CLUB

Spoooner Row Youth club is going from strength to strength. We have received a grant towards 38 weeks wages for a qualified youth worker and to buy equipment. It is hoped that the Youth department will have appointed a worker for our group to start in the New Year.

The voluntary staff have all attended a child protection course, and Mrs Partner has also clocked up a Risk Assessment and Health and Safety course and an ongoing Voluntary Youth Worker course with an Advice and Counselling course and one on Games and Activities.

We do need support from parents and appreciate any help that you can give us.

Please remind your child that they **MUST** sign in and out of Youth Club. We are not responsible for your child's safety once they have left the building and we cannot legally prevent them from doing so.

## Village Diary

Stephanie Kemp and I have decided to put up a Village Diary on the Pre-School notice board in preparation for the New Year. As I am the Bookings Secretary for the Village Hall and Stephanie is Church Secretary, and we both work in the pre-school at Spooner Row Primary School we felt this would give all three main groups in the village a chance to synchronise calendars and avoid events clashing. This will hopefully enable a maximum attendance at all events held by the Village Hall, School, Church and any other village based group.

## NEW Spooner Row Website

The new website for Spooner Row is now online and can be viewed at [www.spooner.row.btinternet.co.uk](http://www.spooner.row.btinternet.co.uk). The website includes information on the different features that Spooner Row has to offer: the village hall, church, school, pub, recreation ground, signal box, conservation walks. There is also a message board to express your views on anything to do with the village! Current and back issues of the village hall's newsletters can be downloaded and viewed online - so if you have missed one you can find it there!

There are a few technical difficulties, which will soon be ironed out. Watch this space for new improvements and updates. There is currently another link to Spooner Row from Wymondham's website at [www.wymondham-norfolk.co.uk/spooner-row](http://www.wymondham-norfolk.co.uk/spooner-row) for the village hall, but this will soon be replaced with the new website.
