WHAT'S ON AT THE VILLAGE HALL

WHO DO YOU KNOW?

Due to the expanding needs of the children at Spooner Row School, the Acorns Pre-school is has been asked to give up the mobile classroom that they have been using.

To enable them to stay on the school site the committee must find a replacement mobile classroom. We have a very limited budget but can provide transport for a suitable building. If you can help us in any way or know a man (or woman) who can, please call the School on 01953 603356 and speak to Maureen.

RUBBISH!

The amount of litter around the village is on the increase so please remind your family and friends not to drop rubbish on their trips through the village. The problem seems particularly bad on the stretch of Station Road between the Three Boars and the station. We are trying to get a bin installed outside the village hall but in the meantime please take your litter home. Ed

Notes from the Playing Field Management Committee

There is soon to be a change in the way our rubbish is collected and this will include a recycling bin for every household. The council bin men will not take glass for recycling so please continue to support the recycling centre on the playing field car park. The money raised from the centre goes towards the upkeep of the playing field and car park.
