

## Village Hall Update

We are pleased to let you know that the Village Hall has been back up and running as usual since June. Our new wooden floor was fitted in May followed by redecoration of the hall. We have been delighted to welcome back all our regular hirers and clubs, and thank them for their patience during the renovations.

The Committee Room has also been redecorated and refurbished and is available for separate hire. For details contact **Lyn Rout on 01953 605450**

Broadband was installed at the Hall in August and we now have free guest wi-fi for our users.
