

Spooner Row, Sutton & Wattlefield Village Hall Assoc Newsletter

This is the first Village Hall Association newsletter of 2017 and we take this opportunity to wish you a very happy and healthy 2017. As always, the Village Hall Association are keen to have new members join the committee, if you are interested in joining the committee, please contact **Lyn Rout on 01953 605450**

Village Hall News

Funding received from Wymondham District Councillors: We are delighted to inform you that the Village Hall has recently received funding for a new Village Hall sign and for the installation of power ports in the field behind the Hall. This funding has been provided by the five Wymondham District Councillors who each contributed from their own budgets. We are extremely grateful to them for their generosity.

Painting and Decoration: You may have noticed the Village Hall exterior has received a fresh coat of paint and now looks much refreshed. The inside of the building is also being painted, it is anticipated this will be completed within the next few weeks.

Solar Panels: As mentioned previously, solar panels were installed on the roof of the Village Hall last year. We have now received our first payment for electricity generated from the panels – over £500. Not bad considering it was not a great summer weather-wise.

Village Hall Association Website: A website dedicated to Village Hall matters is currently under construction. We will keep you informed on when this will go live.

Spooner Row has its own webpage!

www.spoonerrow.f2s.com

It contains local information, pictures and a lively message board

What's coming up – dates for your diary
