

Spooner Row, Sutton & Wattlefield Village Hall Assoc Village Hall Newsletter

Happy New Year

This is the first Village Hall Association newsletter of 2016 and we take this opportunity to wish you a very happy and healthy 2016.

Village Hall News

Christmas Decorations: Those of you who had occasion to visit the Village Hall in December may have noticed our new Christmas decorations which contributed to a truly festive atmosphere.

Solar Panels: Towards the end of last year, solar panels were installed on the roof of the Village Hall. It is envisaged that the electricity being generated by these panels will cover the cost of installation within six years. We will keep you informed of progress on this in future newsletters.

Joining the Village Hall Association Committee: The Village Hall Association are always keen to have new members join the committee. It is a great way to become involved in village events and to meet people. The main aim of the committee is to safeguard the future of the hall by maintaining it and promoting its use to village residents. We meet once a month and run events throughout the year.

If you have any ideas for potential new events/activities you would like to see held at the Village Hall, or if you are interested in joining the committee, please contact Lyn Rout on 01953 605450

Spooner Row has its own webpage!
