

**May we take this opportunity to wish you
a very happy and healthy 2018**

Christmas Decorations: Those of you who had occasion to visit the Village Hall in December may have noticed our Christmas decorations which contribute to a truly festive atmosphere.

If you have any ideas for potential new events/activities you would like to see held at the Village Hall, or if you are interested in joining the committee, please contact **Lyn Rout on 01953 605450**

Happy New Year to All 100 club members - We hope in 2018 you will be one of our winners. We have £640 to give away throughout the year. Our subscriptions are now due, and you will be hearing from one of our committee members soon! Last year we made a healthy profit of £500 which goes toward the costs of running our Village Hall.

New members are very welcome, so if you would like to join the 100 club the cost is only £1 per month i.e.:- £12 per year, please contact - **Mavis Thurston on 605569**

Thank you for attending these events, as well as fun they bring
the community together.

After a successful fundraising period, we have our new defibrillator on the front wall of the Village Hall.

Our drop-in sessions to view the defibrillator were popular and attended by about 30 people. Those who wished attended a CPR course held throughout November. The general impression was this was a useful life saving skill, informative and fun, hopefully these can be repeated later.
